RETURN OF PREMIUM BENEFIT

At the end of a return of premium period, *you* will be entitled to a return of 50% of the Term Travel Insurance premium *you* paid during an eligible return of premium period.

The return of premium period will begin on the later of:

- the *effective date* of the policy per *your confirmation*; or
- following the date of *your* most recent paid benefit under this policy; or
- the end date of the most recent return of premium period.

The return of premium period will end on the earlier of:

- 10 years;
- *your* demise; or
- this policy's *date of maturity*.

NOTE: The return of premium benefit excludes any premium paid for or claims incurred during Top-Up coverage.

Limitations

No return of premium benefit will be payable if:

- death occurs within the first two (2) years of the first premium payment or the latest *reinstatement date*;
- the policy terminates due to non-payment of premium;
- *you* cancel the policy before the return of premium period has been satisfied; or
- a benefit is paid during the return of premium period.

WHAT ELSE DO YOU NEED TO KNOW?

This policy is issued on the basis of information provided in *your* application. *Your* entire contract with *us* consists of: this policy, *your* application for this policy (including any Top-Up application), the *confirmation* issued in respect of that application, and any other amendments or endorsements provided to *you* by Manulife.

This insurance is void in the case of fraud or attempted fraud, or if *you* conceal or misrepresent any material fact in *your* application for this policy. If this policy is made void, any Top-Up coverage added to this policy will also be void.

This policy is non-participating. *You* are not entitled to share in *our* divisible surplus. Neither *we* nor *our* agents or administrators are responsible for the availability, quality or results of any medical *treatment* or transportation, or for *your* failure to obtain medical *treatment*.

The right of any person to designate persons to whom or for whose benefit insurance money is payable is restricted.

Despite any other provisions of this contract, this contract is subject to the statutory conditions contained in the Insurance Act as applicable in *your* province or territory of residence, respecting contracts of accident and sickness insurance.

If a special provision is applied to *your* insurance coverage, the special provision will be endorsed on *your* policy. A special provision is a condition applied to *your* coverage without which this policy would not be in force. The special provision may include, but is not limited to, an extra premium or a limit on the level or type of risk insured.

Premiums

Premiums are based on *your age* at the time *your* application was received by *us*.

The initial premium is due and payable at the time of purchase. Thereafter, each premium is due and payable on each *premium due date* and will be determined according to the schedule of premium rates then in effect. Premium

rates and policy terms and conditions are subject to change without prior notice to reflect actual experience in the marketplace. Premiums are payable to the *date of maturity*, at which time *your* coverage will terminate.

Upon payment of the initial premium, this document becomes a binding contract provided it is accompanied by a *confirmation* upon which a contract number appears and *we* have received *your* completed application. If the premium is insufficient, *we* will charge and collect any underpayment. Coverage will be null and void if the premium is not paid in full or not received, if a cheque is not honoured for any reason, if credit card charges are invalid or if no proof of *your* payment exists.

Except for the initial premium, a grace period of thirty (30) days beyond the due date will be granted, during which time *you* may pay in full any premium due, and this policy will stay in force subject to the termination provisions of this policy.

If a premium is paid after insurance terminates, or if this policy terminates prior to any Top-Up *effective date*, *we* are not liable for the payment of any benefits under this policy in respect of the insurance which ceased and any Top-Up under this policy. In that event, *we* will refund the amount of premium paid following termination and any premium paid for subsequent Top-Up coverage.

Reinstatement

You may apply to have this policy reinstated within two (2) years of the due date of the first unpaid premium by providing:

- a written application to *us*; and
- proof of good health satisfactory to *us*.

Reinstatement will be subject to the eligibility requirements of this policy. *Your effective date* and *policy anniversary date* will be adjusted to match *your reinstatement date*. *Your* premiums will continue to be based on *your age* at the time of initial application.

At no time will *we* pay a claim for any *emergency* that occurs during any period the policy has lapsed due to non-payment of premium, regardless of whether the claim is presented before or after a *reinstatement date*.

How does this insurance work with other coverage that *you* may have?

The coverages outlined in this policy are second payor coverages. Along with this coverage *you* may have other third party liability, group or individual, basic or extended health insurance plans or contracts including any private or provincial or territorial auto insurance plan providing *hospital*, medical or therapeutic coverage or any other third

party liability insurance. In this case, amounts payable under this insurance are limited to that portion of *your* expenses, incurred outside the province or territory of residence, that are in excess of the amounts insured under *your* other in-force plans or contracts.

Total benefits paid to *you* by all insurers cannot exceed *your* actual expenses. *We* will coordinate the payment of benefits with all insurers who provide *you* with benefits similar to those provided under this insurance (except if *your* current or former employer provides *you* with an extended health insurance plan with a lifetime maximum coverage of \$50,000 or less), to a maximum of the largest amount specified by each insurer.

In addition, *we* have full rights of subrogation. In the event of a payment of a claim under this policy, *we* will have the right to proceed, in *your* name, but at *our* expense, against third parties who may be responsible for giving rise to a claim under this policy. *You* will execute and deliver such documents as are necessary and cooperate fully with *us* to allow *us* to fully assert *our* rights. *You* must do nothing to prejudice such rights.

If *you* are insured under more than one insurance policy underwritten by *us*, the total amount *we* pay to *you* cannot exceed *your* actual expenses; and the maximum *you* are entitled to is the largest amount specified for the benefit in any one policy.

HOW TO MAKE A CLAIM

**IN THE EVENT OF AN EMERGENCY,
CALL THE ASSISTANCE CENTRE IMMEDIATELY**

1 866 374-1656 toll-free from the USA and Canada

+1 (519) 251-1582 collect to Canada from
anywhere else in the world.

Our Assistance Centre is ready to assist *you* 24 hours a day, 365 days a year.

Please note that if *you* do not call the Assistance Centre in an *emergency* and prior to receiving *treatment*, *you* will have to pay 25% of the eligible medical expenses *we* would normally pay under this policy (25% co-insurance).

If it is medically impossible for *you* to call when the *emergency* happens, the 25% co-insurance will not apply. In this case, *we* ask that *you* call as soon as *you* can or that someone call on *your* behalf. Do not assume that someone will contact the Assistance Centre for *you*. It is *your* responsibility to verify that the Assistance Centre has been contacted.

If *you* choose to pay eligible expenses directly to a health service provider without prior approval by the Assistance Centre, the eligible expenses will be reimbursed to *you* on the basis of the *reasonable and customary charges* that *we* would have paid directly to such provider. Medical charges that *you* pay may be higher than this amount; therefore, *you* will be responsible for any difference between the amount *you* paid and the *reasonable and customary charges* reimbursed by *us*. Some benefits are not covered if they have not been authorized and arranged by the Assistance Centre.

To make a claim due to illness or *injury* during *your trip*, *your* proof of claim must be sent to *us* within ninety (90) days of *your* loss.

If *you* are making a claim, *we* will need:

- a) original itemized receipts for all bills and invoices;
- b) medical records including complete diagnosis by the attending *physician* or documentation by the *hospital*, which must support that the *treatment was medically necessary*;
- c) proof of the accident if *you* are submitting a claim for dental expenses resulting from an accident;
- d) proof of payment by *you* and by any other benefit plan;
- e) proof of travel (including *departure* and *return dates*); and
- f) *your* historical medical records (if *we* determine applicable).

Claims correspondence should be mailed to:

Travel80 Insurance
c/o Active Care Management
P.O. Box 1237 Station A
Windsor, ON N9A 6A8

You may call the Assistance Centre directly for specific information on how to make a claim or to enquire about *your* claim status at: 1 855-478-3482 or +1 (519) 988-7010.

To whom will *we* pay *your* benefits?

We will pay the *covered expenses* under this insurance to the provider of the service or to *you*, or, in the case of *your* demise, *your* estate. Any return of premium benefit payable shall be paid to *you*, or, in the case of *your* demise, *your* estate upon proof of death.

You must repay *us* any amount paid or authorized by *us* on *your* behalf if *we* determine that the amount was not payable under *your* policy.

All amounts shown throughout this contract are in Canadian dollars. If currency conversion is necessary, *we* will use *our* exchange rate on the date *you* received the service outlined in *your* claim. *We* will not pay for any interest under this insurance.

Is there anything else *you* should know if *you* have a claim?

If *you* disagree with *our* claim decision, the matter may be submitted to arbitration under the arbitration law in the Canadian province or territory where *you* resided at the time of claim against this policy. Legal action to recover a claim must start within the twelve (12) months of the date the insurance monies would have been payable if it were a valid claim and be undertaken before courts of the Canadian province or territory where *you* resided at the time of claim against this policy.

For the purposes of determining the validity of a claim under this policy, *we* may obtain and review *your* medical records from *your* attending *physician(s)*, including the records from *your* regular *physician(s)* at *home*. These records may be used to determine the validity of a claim whether or not the contents of the medical records were made known to *you* before *you* incurred a claim under this policy. In addition, *we* have the right, and *you* shall afford *us* the opportunity, to have *you* medically examined when and as often as may reasonably be required while benefits are being claimed under this policy. If *you* die, *we* have the right to request an autopsy, if not prohibited by law.
